RAIN DELAY PROCEDURE

If storms (not rain) are threatening the morning of the event, the following procedure will be followed:

If the organizers, the Foundation executive director, and the Emergency Management director determine a delay due to lightning, an announcement will be phoned in to all local media sources both radio and TV at 8:00 a.m. and everything will be delayed for two hours. This means the run will begin promptly at 10:30 a.m.

If it is still lightning at 10:00 a.m. the rain committee will meet again. If it is still unsafe for participants to run, an announcement will be made canceling the event. Due to the unavailability of personnel there will be no attempt to reschedule the run.
