Independent Auditor's Report

To the Board of Trustees of
Quincy Public Schools Foundation

We have audited the accompanying financial statements of Quincy Public Schools Foundation (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets—modified cash basis as of June 30, 2024 and 2023, and the related statement of support, revenue, expenses and change in net assets—modified cash basis, statement of functional expenses – modified cash basis and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Quincy Public Schools Foundation as of June 30, 2024 and 2023, and its support, revenue, expenses and change in net assets for the year then ended in accordance with the modified cash basis of accounting as described in Note A.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Quincy Public Schools Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note A of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note A and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Quincy Public Schools Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Quincy Public Schools Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

QUINCY PUBLIC SCHOOLS FOUNDATION
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and June 30, 2023

NOTE A – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Quincy Public Schools Foundation (the "Foundation") was incorporated as a not-for-profit organization under the laws of Illinois on November 29, 1988. The purpose of the Foundation is to solicit and receive gifts, bequests, and grants to support efforts which will compliment, enhance, and enrich educational programs and opportunities in the Quincy Community School District No. 172. The Foundation is organized solely for educational purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986.

Basis of Accounting

The Foundation has chosen to maintain its records on the modified cash basis method of accounting. Under this method, revenues and support are recognized when received instead of when earned, and expenses are recognized when paid instead of when the obligations are incurred. Modifications to the cash basis of accounting include investments, which are stated at fair value rather than historical cost, and the recognition of in kind donations of goods and services.

Cash and Cash Equivalents

Cash equivalents consist of highly liquid investments with an initial maturity of three months or less.

Investments

Investments include marketable equity and debt securities. Investments in marketable equity and debt securities are carried at fair value with unrealized and realized gains and losses on investments during the year reported as an increase or decrease in net assets with or without donor restrictions based upon donor-imposed restrictions.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Financial Statement Presentation

The Foundation reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

The governing board has designated, from net assets without donor restrictions, net assets for a board-designated endowment. Net assets with donor restrictions are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, such as those that the donor stipulates that resources be maintained in perpetuity. The Foundation's unspent contributions are reported in net assets with donor restrictions if the donor restricted their use. Contributions of property and equipment are reported as net assets with donor restrictions if the donor has restricted the use of the property or equipment to a particular program. The restriction expires when the asset is placed in service. When a donor's restriction is satisfied either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

Net assets without donor restrictions are resources available to support operations.

for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Donated Services and Facilities

No amounts have been reflected in the financial statements for donated services. The Foundation generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Foundation with specific assistance programs, campaign solicitations, fundraising events, and various committee assignments.

The Foundation does recognize in kind donations of goods, such as air time for fundraising campaigns. The value of the donation is recorded at fair market value.

The Foundation maintains an office in a building owned by the Quincy Public School District. No rent is charged for the usage of this space and no amount has been reflected in the financial statement for the donated facility.

Income Taxes

The Foundation is exempt from the payment of income taxes under Section 501(c)(3) of the Internal Revenue Code.

Unemployment Compensation

The Foundation has elected not to make any contributions under State unemployment and will be liable for such benefits on a claim by claim basis.

NOTE B – CASH

Total net assets released from restrictions	<u>\$ 461 328</u>	<u>\$ 108 555</u>

NOTE E – ENDOWMENT FUNDS

The Foundation's endowment fund contract states that original principal will remain invested in accordance with the investment policy of the Foundation and is not to be invaded. Only income will be used to underwrite written requests for funding in accordance with the purpose of the contract. The overall investment direction for the Foundation's endowment

funds is to maximize the return within an acceptable level of risk. The allocations of the endowment fund assets are to either the general account, which is invested in money market funds, government securities and certificates of deposit, or long-term investments which include stocks, bonds, stock and bond mutual funds, utility stocks, unit investment trusts, and mortgage-backed securities. The policy also states that bonds purchased for the account should have a quality rating no lower than AA, cash reserves should be invested in interest-bearing securities, free of risk of loss, price fluctuation, and should have constant liquidity. Investments may be chosen from the New York Stock Exchange, American Stock Exchange, regional exchanges, and the National Over-The-Counter market. All assets must have readily ascertainable market value and be easily marketable. The initial funds (\$ 1 729 677) are permanently restricted and cannot be spent, whereas any appreciation from the funds are restricted for the purposes stated in the endowment fund contract.

The Foundation has a spending policy of appropriating for distribution each year 5.5% of its endowment fund's average fair value of the prior 12 quarters through the calendar year-end preceding the fiscal year in which the distribution is planned. In establishing this policy, the Foundation considered the long-term expected investment return on its endowment. This is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through investment return.

Board-designated Endowment

As of June 30, 2024, the Board of Trustees has designated principal of \$ 50 000 of net assets without donor restrictions as a general endowment fund to support the mission of the Organization and \$ 10 000 as an endowment in memory of Jean Stettner for the Lincoln-Douglas media center. Since those amounts resulted from an internal designation and are not donor-restricted, they are classified and reported as net assets without donor restrictions along with the earnings in those funds.

Donor-designated Endowments

The Foundation consists of approximately 109 individual funds established for a variety of purposes. Its endowment includes both donor-restricted funds and funds designated by the Board of Trustees to function as endowments. As required by the modified cash basis of accounting, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Absent explicit donor stipulations to the contrary, the Board of Trustees of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds. As a result of this interpretation, the Foundation retains in perpetuity and classifies as net assets with donor restrictions (1) the original value of gifts donated to the perpetual endowment, (2) the original value of subsequent gifts to the perpetual endowment, and (3) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not retained in perpetuity are subject to appropriation for expenditure by the Foundation in a manner consistent with the standards of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of the investments, (6) other resources of the Foundation, and (7) the Foundation's investment policies.

From time to time, certain donor-restricted endowment funds may have fair values that are less than the amount required to be maintained by donors or by law (underwater endowments). The Foundation has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. As of June 30, 2024, no funds had fair value less than original gifts and no expenditures were appropriated from underwater endowments during the year. At June 30, 2023, funds with original gifts values of \$ 38 831, fair values of \$ 35 946, and deficiencies of \$ 2 885 were reported in the net assets with donor restrictions.

NOTE H – EXPENSE ALLOCATION

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Support, Revenues, Expenses and Changes in Net Assets – Modified Cash Basis. The Statement of Functional Expenses presents the natural classification of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated are personnel costs based on estimates of time and effort. Directly identifiable expenses are charged directly to programs and supporting services.

NOTE I – EMPLOYEE BENEFIT PLANS

The Foundation participates in a SIMPLE IRA plan offered to all eligible employees. The Foundation matches employee contributions up to 3% of the employees salary. The cost to the District for the year ended June 30, 2024 was \$2 861 and \$0 for the year ended June 30, 2023.

NOTE J – RISK MANAGEMENT

The Foundation is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets, errors and omissions, injuries to employees, and natural disasters. During the period ended June 30, 2024, the Foundation managed its risks as follows:

Employee Health Insurance: The Foundation purchases health insurance for its employees from a commercial insurance carrier. There have been no claims resulting from these risks that have exceeded the liability coverage during the past three years.

Liability Insurance: The Foundation purchases liability insurance for risks related to torts, theft, or damage to property; and errors and omissions of directors and officers from a commercial insurance carrier. There have been no claims resulting from these risks that have exceeded the liability coverage during the past three years.

Workers Compensation: The Foundation purchases liability insurance for worker's compensation from a commercial insurance carrier. There have been no claims resulting from these risks that have exceeded the liability coverage during the past three years.

NOTE K – UNCERTAIN TAX POSITIONS

The Foundation is required to assess whether it is more likely than not that a tax position will be sustained upon examination on the technical merits of the position, assuming the taxing authority has full knowledge of all information. If the tax position does not meet the more likely than not recognition threshold, the benefit of that position is not recognized in the financial statements. The Organization has evaluated the effect of the U.S. GAAP guidance on Accounting for Uncertainty in Income Taxes. Management believes the Organization's tax positions are more likely than not to be sustained upon examination.

organization, and, therefore, had no uncertain income tax positions at June 30, 2024. Federal returns for the tax years June 30, 2020 and thereafter remain subject to examination by the Internal Revenue Service.

NOTE L – SUBSEQUENT EVENTS

The Foundation has evaluated subsequent events through November 6, 2023, the date which the financial statements were available to be issued.
